Two-day International Conference on "Recent Development and Techniques in Pure and Applied Mathematics" 23rd, 24th March, 2023

The Inaugural function of Two-day International Conference on "Recent Development and Techniques in Pure and Applied Mathematics" organized by the School of Mathematics, Alagappa University, was held on 23.03.2023.

Prof. S. Rajamohan, Registrar, Alagappa University presided over the Conference. In his presidential address that he pointed out, "Mathematics is the queen of Science", Pure Mathematics encompasses the study and research of theories and abstract mathematical concepts whereas Applied mathematics refers to the practical usage of concepts, theories, mathematical equations for solving real world problems. In his inaugural address Prof. Kurunathan Ratnavelu, UCSI University, Malaysia, addressed about the importance of Pure and Applied Mathematics and also explained the applications of Mathematics in all fields of economical, social and biological sciences.

Dr. R. Swaminathan, member of syndicate and Dr. P. G. Romeo, CSIR Emeritus scientist, Cochin University of Science and Technology offered felicitations. Two hundred participants attended the Conference. Dr. N. Anbazhagan, Professor and Head, welcomed the participants. Prof. P. G. Romeo spoke about the semi group theory of Doubly Stochastic Matrices at the technical session. Prof. Xindong Peng, Shaoguan University, China and Dr. Nasreen Kausar, Yildiz Technical University, Turkey joined virtually and delivered their talks in the technical session.

The Conference Souvenir was released by the Registrar, which contains 100 research articles and the copies were received by Dr. R. Swaminathan, member of syndicate, Prof. Kurunathan Ratnavelu, USCI University, Malaysia, P. G. Romeo, Emeritus Scientist, Cochin University of Science and Technology, Cochin.

On the second day, Prof. Balasubramanian Raman, IIT Roorkee, Uttarkhand and Prof. M. Marudai, Honorary Professor Bharathidasan University, Trichy delivered their lectures at the technical session. Prof. Arsham Bourmaid Saeid, Sahid Bahonar University of Kerman, Iran and Prof. Intan Muchtadi-Alamsyah, Bandung Institute of Technology, Indonesia interacted virtually at the technical session. During the Valedictory function, certificates were distributed to all the participants and the best paper award was given. Dr. J. Vimala proposed a vote of thanks.
