Head of the E-Magazine Committee

Dr. R.KARIKALAN
PROFESSOR & HEAD

Head of the Department Desk

As the Head of this prestigious Department, I am proud and happy to see the success and growth of our E-magazine. It is a testament to the passion, talent, and originality of our students, and a reflection of the diverse perspectives, experiences, and voices that make our Department a vibrant and dynamic community.

Over the years, our Department has strived to provide a nurturing environment that fosters holistic development and prepares students to become leaders in their fields of study. We believe that education is not just about acquiring knowledge, but also about cultivating critical thinking, empathy, and a sense of responsibility to society.

I extend my sincere congratulations to the editorial team and all those who have contributed to this E-magazine. Your efforts have resulted in a beautiful compilation of literature in different languages, photography, artwork, and overall creativity that truly captures the essence of our Department.

May this E-magazine inspire you to reach new heights and serve as a reminder of the incredible potential that lies within each of us.

Dr. T. KONGESWARAN
TEACHING ASSISTANT

Editorial Desk

With great pleasure, I extend my warm greetings through the pages of our Department e-magazine, Terra, a beautiful embodiment of our Department spirit.

At the Department of Geology, we believe that education goes beyond textbooks and lecture halls. Each student has unique talents, passions, and interests, and we are dedicated to fostering an environment that encourages their exploration and growth. We encourage our students to pursue their passions in various areas, whether sports, arts, music, theater, debates, community service, or anything else. Engaging in extracurricular activities helps them excel in diverse fields and contributes significantly to their personal development.

In today's digital age, it is essential to embrace innovative ways of sharing knowledge and ideas. Our Department E-magazine serves as a virtual platform for expressing our thoughts and learning from one another. I encourage all students and faculty members to actively participate in and contribute to this enriching endeavor.

I express my heartfelt appreciation to the editorial team and everyone involved in creating Terra. Your hard work and dedication have resulted in a remarkable collection of stories, articles, and creative expressions that truly capture the spirit of our Department community.

இரவின் மழயின்

கற்பனைக்கு உயர் கொடுதீது
காதலையும் உலகமதீது
அன்புதமாய் நீ உரைந்த
பேயியமே இன்னொருக்து
நின்பதற்கு காலின்பு
பெரும்கவந்தீது சித்திரம் போல்
பெரும் - பெருமைத் தொலைதீது அிடம்
தோகணையாய் நிர்க்கின்றேன்!
பெரும்பெரும் இவ்வுலகில்
அன்புமே இடுந்ததில்லை...
தும்பெய்தும் சிவமாய்
தனிபவற்றி கிடைத்ததில்லை...
இவ்வுலகே கவிஞர்கு
எனைத்தேற்றிக் கொண்டளவும்
எவ்விடுந்தோ நீர் பெருங்கி
திடுகண்ணில் வடிகிறதே!
வைகறையில் துயில் கண்டீது...
மன்களிலே மயம்பறந்தீது...
பகல் பெருகு முதுவதையும்
பனி பறந்தீது கழித்தாழம்...
திடும்கவிந்த இரவிலே...
இளம் முடி தூங்கும் முகிலே...
கவிக்கின்றேன் உன்னை போ...
சுனைபண்ணையை நனைக்கிறதே!

1ST M.SC., APPLIED GEOLOGY

A close-up photograph of a brick wall. The bricks are painted in a vibrant blue color. A large, semi-circular graphic in a bright pink color is painted over the wall, starting from the bottom left and curving towards the top right. The word "ART" is written in a bold, white, serif font, centered on the pink graphic. The letters are stacked vertically, with "AR" on top and "T" below it. The overall composition is modern and artistic.
