Inauguration

- The Department of Computer Science, Alagappa University organised the Village Extension Programme camp at Palavangudi village for three days from 27/10/2023 to 29/10/2023. Students are picked up from Science Block by transport vehicle from science block to Palavangudi every day at 7.30 a.m. and dropped at 5.00 p.m. at Science Block in two trips on all the days. Students and coordinators are served breakfast and lunch at Palavangudi on all the days. Dr. T. Meyyappan, Sr. Professor, Coordinator of the camp has made all the arrangements. Flex banners were displayed at camp location. Teaching assistants Dr. Karthikeyan, Dr. Uma Maheswari and research scholars have rendered their service in all aspects.

➤ **DAY – 1 (27-10-2023)**

- The camp was started with the inaugural function at 9.00 a.m. in the presence of Dr. A. Padmapriya, Professor and Head i/c, department of computer science, Dr. S. Santhosh Kumar, Asst. Professor, President, Vice President, office bearers of palavangudi Panchayat. Coordinator Dr. T. Meyyappan welcomed the gathering and briefed about the activities to be carried out. Dr. A. Padmapriya inaugurated the camp and emphasized the need for the camp and responsibilities of students. Dr. S. Santhosh Kumar felicitated. The invitees are honoured with shawl. KM. Lakshmanan Chettiar, resident of Palavangudi village accommodated the students in house for relaxation and rest room usage. President and vice president in their speech, assured to provide all support for the camp.

Day1 : 27-10-2023 Activities:

- 10 a.m. to 1.00 p.m. One group of students are engaged in cleaning the Govt Middle School premises. They have cleaned the weeds and plastic wastes and disposed them

- 10 a.m. to 1.00 p.m. Second group of students are engaged in cleaning the premises of Sengamala Thayar Temple. They have cleaned dust, weed and plastic waste inside and outside the temple premises and disposed them. All the volunteers are refreshed with tea and snacks.

- 1 p.m. to 2 p.m. Students and staff are served with lunch by a caterer in nearby village.
- 2 p.m. to 4.30 pm. All the students were dropped at Govt Primary School, Palavangudi to organize competitions for school children. The events conducted are musical char, sports, lucky corner and balloon bursting for the children studying 1<sup>st</sup> to 8<sup>th</sup> standards.

- The winners are honoured with prizes and all the participants are given consolation prizes. Headmistress and teachers of the school were honoured with shawl. In their speech, they have appreciated the efforts of the university authorities. After evening refreshment, students are dropped at Science Block at 5.30 p.m. in two trips.

➤ DAY – 2 (28-10-2023)

- On the second day, one group of students cleaned the premises of another temple. The second group made arrangements for tree sampling in school premises. The third group prepared the charts and placards for the awareness rally planned for the afternoon session.

- After lunch student started their awareness rally and visited each street & house in the village to create awareness about liquor drinks, malnutrition, safe driving, harm of smoking, importance of water, etc. Our beloved staffs also accompanied students for conducting the awareness rally.

- The rally started at 2.30 p.m and gone around the entire village to create awareness among the village people about alcohol menace, traffic rules, COVID, rain water harvesting etc. After the rally, the students reached school premises to plant Neem, Teak and other saplings by staff members. Announcement about the distribution of Kabasura Kudineer on the following day was made during the procession of rally.

➤ **DAY – 3 (29-10-2023)**

- The final day marked with the distribution of ‘Kabasura Kudineer’ to village people. Kabasura Kudineer was prepared in the kitchen belonging to sengamala thayar temple and distributed at Pillayar Temple in the heart of the village. Students explained to the villagers about the medicinal benefits of the kabasura kudineer and motivated them to consume.
