Coordinator : Alagappa University Computer Science Students Association (ALUCSSA)

Activity Description :

Alagappa University Computer Science Students Association (ALUCSSA) organized a two-days state-level Symposium TECHNOVA-2022 during October 27-28th, 2022. Our honorable Vice-Chancellor Prof. G. Ravi in his inaugural address outlined the achievements of the university in world ranking. He has also emphasized the importance of alumni contribution for the growth of the department as well as employment of present students. Plenty of high salaried jobs are in the market for skilled professionals, he added. He appealed to the departments to collect alumni data and make use of them in future endeavors. Quality of teaching, research and publications are the prime accreditation parameters to secure good ranking for institution, he emphasized. Respected Registrar Prof. S. Raja Mohan listed the evolution of computers since the 19th century and their role in today's world. Dr. K. Sankaranarayanan, member of syndicate, Alagappa University, in his valedictory address.

Fourteen different events are conducted for student competitions. 120 students from various institutions in Tamil Nadu have participated in team and solo events. Juries invited from various institutions assessed the performance of the students and graded.

In his special address, Dr. R. Stalin, Asst. Superintendent of Police Karaikudi motivated the students and distributed prizes and certificates to participants. Students from Jamal Mohamed College, Trichy bagged the overall Trophy of TECHNOVA-2022. Prof. T. Meyyappan, head of the department of computer science welcomed the gathering and Dr. Santhoshkumar proposed vote of thanks. Computer science students' association members have made elaborate arrangements.
