

National Mathematics Day -2022

National Mathematics Day has been celebrated on December 22nd, 2022 at seminar hall 4th floor, Science Campus, Alagappa University. The function was headed by our honorable Vice Chancellor Dr. G. Ravi and he has delivered the Presidential address. In his speech, he highlighted the importance of Mathematics and the main motive of celebrating the National Mathematics day. For giving example for that he has quoted the theories of Einstein and Rutherford. He also gave assurance that Alagappa University will satisfy the necessary needs for the skill development of the students. He advised the students to have a keen observation of Ramanujan's theory and to create new theories by applying his concept.

In the Introductory speech of Prof. D. Arivudainambi from Anna University, Chennai, he told that Ramanujan has quoted many statements with or without proofs. He also told that Mathematics plays a vital role among all the science disciplines. He also delivers the Special Lecture on "Importance of Mathematics in Artificial Intelligence and Machine Learning". Prof. N. Anbazhagan welcomed the gathering and Dr. R. Jeyabalan proposed the Vote of Thanks.
