

5.3.2. a) (QnM) Activities of Students' Council (2018-2019)

PONGAL FESTIVAL CELEBRATION

Pongal festival occasion has been celebrated every year by the students of our Department, faculties and staff. The students wore the traditional dress of tamilians for celebrating the Pongal festival in the Department campus.

FRESHERS DAY

Freshers Day celebration was organized by our Department students to invite the newly joined first year students of 2018. A presentation about the facilities available in the Department and University, rules and regulations of the Department was instructed to the students by the HoD and the faculty members. Followed by, the games and cultural programs were conducted by the senior students.

FAREWELL CELEBRATION:

Farewell celebration for the PG students 2018-2019 was conducted and this event makes a happy exit for the mathematicians. Views about our Department and Staff members were given by the final year students. Also they gave some ideas and motivation to the juniors.
