About The University

Alagappa University has been the creation of large hearted philanthropist and educationist Dr.RM.AlagappaChettiar. It was brought into existence by a Special Act of the Government of Tamil Nadu in May 1985. The University is Accredited with A+ Grade with CGPA of 3.64 in the third cycle by the National Assessment and Accreditation Council (NAAC). It is graded as category-1 by MHRD and ranked 28th by NIRF 2019. It has bagged 104th place in QS BRICS ranking Assia. The University has 44 Departments, 9 Centres and 2 Constituent Colleges on its campus. 46 Affiliated Colleges are located in the districts of Sivagangai and Ramanathapuram. The University offers education through Regular, Affiliated College Collapration Distance and Online modes. The University is having International Collaborations with institutions from China, Singapore, Malaysia, Japan, Australia, U.S.A, U.K, Germany, Finland and South Korea. Innovative programmes are designed and offered at the University. 41 International exchange programmes attract the attention of the teachers and students from abroad. The University's motto is "Excellence in Action" and the University keeps before it the vision of excellence in all spheres of its action.

Department of Logistics Management (DoLM):

DoLM is a young, vibrant entity established during the academic year 2016-17 at Alagappa University. Logistics Management is getting professionalized of late, which is evident from the fact that this MBA (Logistics Management) programme is sanctioned to Alagappa University as an Innovative Programme with liberal funding by the University Grants Commission (UGC). The faculty members of the DoLM are well qualified, industry-academia enriched, nationally and internationally experienced professionals. Infrastructure at the command of the department is envious: Video conferencing facility, Wi-Fi environment, Networked Computer Laboratory, well stocked Library, Conference halls are few notable features. International MoU with SUN LOGISTIC SERVICES Muscat, Oman is in place for Project and Final Placement Assistance.

About the Conference

The International Conference on E-Logistics and Supply Chain Management aims to bring together leading academic scientists, Industry Professional researchers and research scholars to exchange and share their experiences and research results on all aspects of E-Logistics and Supply Chain Management. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of E-Logistics and Supply Chain Management. This International Conference is dedicated to bring together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

Call for Contributions

Prospective authors are encouraged to contribute to shape the conference through submission of their research papers. Also high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of E-Logistics and Supply Chain Management are cordially invited for presentation at the conference. .

Original research papers are invited for presentation in the following areas but not limited to:

- Global Logistics and SCM
- Green Logistics and SCM
- Transportation and Distribution
- Stores, inventory & Warehouse Management
- E-Logistics and Information Systems
- Technology Management and Operations
- Marketing of Logistics and CRM
